

# GREAT NORTH ART SHOW

ARTISTS 2019

## ABOUT GREAT NORTH ART SHOW

The Great North Art Show, is held every September in the magnificent surroundings of Ripon Cathedral. The show was originally inspired by an idea to promote quality Contemporary Art in the North – make it accessible to all – and affordable.

It now has an established reputation as one of the premier visual arts exhibitions in the North of England presenting work by some of its finest professional and emerging artists. Every year we welcome thousands of visitors from across Great Britain and from overseas.

The Great North Art Show's philosophy is to present a fresh and exciting show, that encompasses a broad blend of disciplines, from painters, printmakers, illustrators, photographers, sculptors, ceramicists to video filmmakers; which, at times, will challenge the public perception of what is known as "the Visual Arts" – and yet it will always produce something new for the public to view.

As a charitable trust the Great North Art Show has been able to succeed and develop because of the generosity of individuals, through sponsorship and donations, and the enthusiasm of the hundreds of thousands of visitors and supporters, who have come to look at Art in the Cathedral over the last sixteen years.

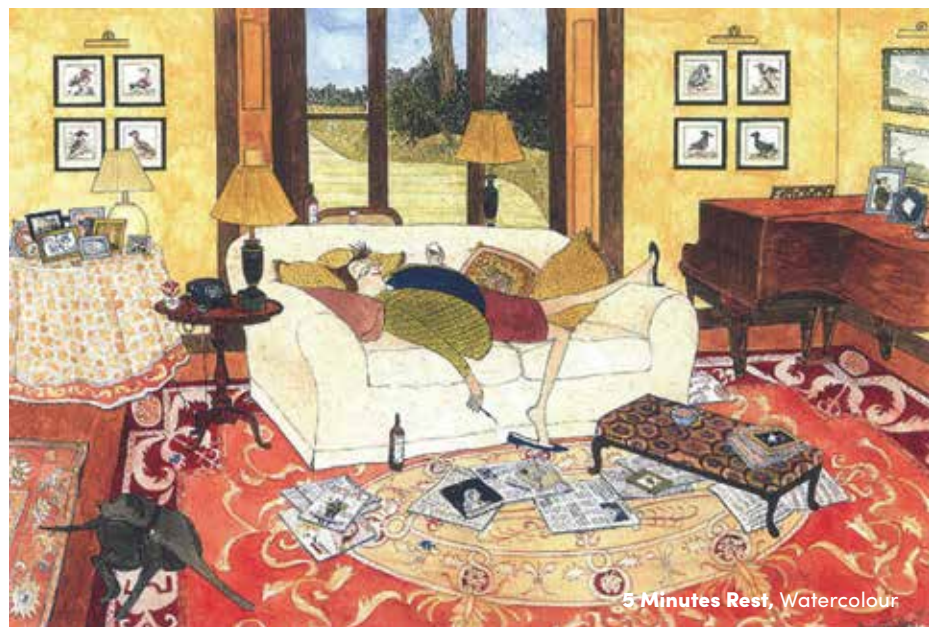

With this in mind, the Great North Art Show will continue in its endeavours to uphold the traditions behind open public exhibitions bringing top quality art to all – whilst embracing the exciting natural evolution of Art and all it offers in the future.

The Trustees and Management Team hope you will enjoy this year's show. If you are interested in supporting or sponsoring this event in the future, please visit our website:

5 Minutes Rest, Watercolour

## FEATURED ARTIST: **ANNIE TEMPEST**

Annie Tempest, sister of Yorkshire printmaker Bridget Tempest, is the featured artist at Great North Art Show this year.

Over the past 35 years she has built a reputation as one of UK's foremost cartoonists having worked for most of our National newspapers and magazines in her long career.

Her strip, Tottering-by-Gently, has run for 26 years in Country Life Magazine and is widely licenced and won her The Pont Prize for the British Character in 2009.

Bailey's, Oil on Linen

## GUEST ARTIST: **TANIA STILL**

Tania Still was born in 1976 and grew up in North Yorkshire and went to Queen Mary's School, Baldersby Park before moving to London in 1996 to study at the City and Guilds of London Art School in Kennington, where she completed her diploma and postgraduate studies in Fine Art Painting. Her passion for the countryside and rural pursuits are the main inspiration in her work, she feels it important to try and convey the changing attitudes to rural life.

Tania predominantly concentrates on painting horses and hounds. Unless vital to the work, she portrays her subjects without a background. Tania's work has

diversified over the years. Tania is a unique phenomenon in British sporting art. Not since the days of Stubbs has an artist had the audacity to paint animals with such vigour, utterly divorced from their surroundings. Her work is now in great demand, predominantly for private commissions. She lives in London with her husband, daughter and son.

Tania's paintings can be found in many private collections throughout the UK, Europe, the USA and Argentina. She currently has two paintings in 'The Dog' exhibition at Chatsworth House this year.

"Art is the Queen of  
all sciences,  
communicating  
knowledge to the  
generations of  
the world."

—Leonardo da Vinci

Vision Support Harrogate District are very grateful and delighted to have once again been invited by The Great North Art Show to showcase a collection of the fantastic sculptures that are created by our members. We also offer our sincere thanks to Specsavers, Ripon who have kindly sponsored the sculpture exhibition this year.

Life can feel frightening and lonely if you are experiencing sight loss. There may be lots of questions you feel need answering, and having to stop doing some of the things you once loved can be upsetting. Vision Support Harrogate District exists to support and advise people in our community who are or know someone who is experiencing sight loss.

Due to rural isolation or mobility issues, not everyone is able to access our drop-in centre. To help alleviate loneliness and social isolation, we are able to provide a helpline, telephone befriending, and a home visiting service. The visiting service is used as an essential tool for encouraging participation, signposting to outside agencies and supporting independent living.

Our outreach in the community includes regular social meetings arranged in Ripon and Pateley Bridge. Day trips, countryside walks, evenings out and lunchtime meals are enjoyed on a regular basis. Our Eye Clinic Liaison Officer offers practical and emotional support to those who are newly diagnosed with an eye condition.

At our Vision Support Centre, we offer a vast range of regular activities which encourage independent living and the learning of new skills, such as IT training, craft classes, social events, fitness and leisure activities.

Vision Support provides these opportunities as it is vitally important that those affected with sight loss are provided with the support and encouragement to develop new skills and achieve positive outcomes. Working with resources such as clay and producing sculptures is one way of enabling our members to reach the goal towards independent living.
